

# SCHOOL IS COOL

## Cultural extravaganza

**N**MT Academy recently conducted its annual day celebrations. A cultural extravaganza titled 'Mausiqi Nritya Utsav', witnessed participation from all sections. Aparna Sharma, author of the Book 'Reality Bytes' and an HR Thought Leader was the chief guest who graced the occasion, along with other guests and trustees. Hand-picked folk dances from dif-

ferent states of India were the highlights of this cultural extravaganza.

The programme went on to showcase the talent of the junior sections through their expressions and colourful costumes. The primary section, too rocked the stage with wonderful foot tapping dance numbers. Heart warming inspirational songs were an integral part of this programme. The secondary section was not far behind

giving fabulous dance performance be it classical number, Punjabi bhangda Gujarat's garba, Rajasthani and Kashmiri folk dances, enthralled audiences. At the event, principal V G Jacob highlighted the school's myriad achievements and activities in the past academic session. From team-based events to fields like creative writing, debating, quizzing and art, students had done in great job in all areas. While addressing the gathering, chief guest Aparna Sharma praised the school for organising such events that add to the all round personality development of the stu-

dents. Parents were mesmerised by the wonderful dance performances and they reiterated that such programmes develop an all round personality of their children. Trustee Harish Mulchandani's address outlined his image and his efforts to put turn this vision into reality by introducing latest technology for a better teaching learning process. The finale dance by the boys of class X on 'Jai Ho' was a hit among the audience. The programme concluded with the National Anthem.
